Memo No. BM&DC/2573

Date: 08.05.2022

Notice

Foreign Medical student do internship in Bangladesh as per of their MBBS education which is indeed six years course. After completion of internship we issue registration to native Bangladeshi & to foreigners who apply for registration. But foreigners are not allowed to practice in Bangladesh & it is written in their Registration certificate.

For various reasons it is current law of council that foreign medical graduates will not get practicing licence in Bangladesh.

Registrar (Incharge)  
Bangladesh Medical & Dental Council.
